How can I become an L2P mentor?

Becoming an L2P driver mentor is a great way to contribute to the community and directly help a young person. There are no costs to mentors. We supply the vehicle, which is equipped with fuel cards and insurance. The costs of all checks is also reimbursed.

Our selection process

The mentor application and selection process involves:
- completing an application form
- attending an interview
- taking a Working with Children’s Check, Police Check, Vic Roads Driver History Report and reference checks (facilitated by staff).

Mentor training

Mentors are required to complete two sets of training:
- Three x 3 hour Vic Roads training sessions, which help you manage the learner driver and understand what’s required of a supervising driver on the road
- Four x 3 hour mentoring training sessions run by us, which cover how to work with high risk young people, how to engage them and how to put boundaries into place.

“Our mentors are teachers, builders, process workers – all kinds, really. The one thing they share is they have really big hearts.”

Jennefer Hally, Mentoring Project Officer

Jesuit Social Services is a social change organisation working to build a just society where all people can live to their full potential. This program is funded through VicRoads by the Victorian Government Department of Health and Human Services.
The role of an L2P mentor

L2P mentors support a young person to attain 120 hours of supervised and certified driving practice.

Supervision is conducted in a supportive, trusting and purposeful relationship with the young person.

Supervised driving sessions can be held at any time of the day, seven days a week, with sessions lasting between 1-2 hours at a time.

How we support L2P mentors

We appreciate the time volunteered by L2P mentors.

We offer L2P mentors ongoing support, as well as regular mentor training sessions. This training is in addition to the initial L2P training provided by VicRoads.

L2P mentors are covered for liability by becoming registered volunteers with us, and we supply a vehicle, fuel cards and insurance.
